

## Volunteering at All Saints

Craig Carroll is a former All Saints' pupil who has recently started volunteering every Tuesday. Having completed his degree, he is looking to gain experience working in schools with a view to eventually becoming a TA or teacher. Craig supports pupils in English and French lessons as well as helping out in the library. "It's great to be back", said Craig. "All Saints still has the best library and the best people many years on!"

It's fantastic to have Craig's help and the pupils benefit from his patience and encouragement.

## Family Fun Day Saturday 8 July 2017

The countdown has started ... only 3 weeks to go until our fabulous Family Fun Day! Please keep the date free and come and join us on Saturday 8 July. Attractions include jewellery, book, plant and gift stalls; tombolas; café; raffles; archery; games; barbecue and much more! We look forward to welcoming as many people as possible to celebrate a really successful year and to help raise vital funds for school.

We are currently collecting items for the Family Fun Day.

All donations of books, jewellery, food hamper items, chocolate, bottles, cosmetics etc. will be gratefully received. If you would like to help with the planning and preparation of the event or can help out on the day, please contact the school office.

### Dates for your Diary

Parents In Partnership meeting:

Tuesday 27 June, 4.00pm

Year 6 Induction Days:  
Thursday 6 & Friday 7 July

Year 5 Experience Days:

Friday 7 July

## INSET DAY PLEASE NOTE:

School will be **CLOSED** to pupils on Monday 26 June due to staff training.

### Accelerated Reader of the Week

Alex Ziobro is a keen and mature reader with an enquiring mind. He chooses a variety of books, both fiction and non-fiction from up-to-

the-minute technology to medieval history!

### Linguists of the Week

Congratulations to Jack Wilson and Abbie Craig, this week's Linguists of the Week. Both pupils always try their best in French and give 100%. They are making outstanding progress.

### Attendance Matters

Well done to everyone for the concerted effort with attendance this week. This week's total stands at 95.1%!

### Lego Club

Lego Club celebrates its 1<sup>st</sup> birthday this week. Congratulations to Cameron McWiggan who founded the club and runs it with great patience and good humour every week!
