

Pupils in Print

Congratulations to our super-talented year 8 pupils whose work has been chosen to be published by Young Writers in the *Welcome to Wonderland* competition:

Hannah Hopwood, Brooke Barker, Paris Davies, Nisaa Ahmed, Mya Patel, Jayden Peacock, Anthony Hudson, Keaton Clarke, Jessica Hulme, Mysha Wainaina, Kim Wood, Keaton Smith, Isabella Worsley, Sarah Kelly, Brogan Mackenzie, Leilani Micklewright, Nicole Ordon, Sydney Burgess, Katie Pennington, Amber King, Ellie-Mai Bennett, Mackenzie Collins, Abbie Craig, Patrick Braddock, Molly Mason, Mackenzie Manley and Tisha Choksi.

Pupils were invited to submit a 500 word short story for publication in a book in September. As usual our pupils have stepped up to the challenge and produced some outstanding work worthy of publication. Well done to all pupils and to their inspirational teacher, Miss Chadderton.

BIG BANG!!

On Tuesday the 4th July, 86 Year 7 and 8 pupils visited the Big Bang fair in Liverpool. They took part in a variety of exciting demonstrations and activities all of which were science, technology, engineering or maths related. The pupils behaved exceptionally well and really enjoyed the trip. Pupils are invited to attend science club next year where we will be trying some of the activities.

Welcome to Year 5 and 6 pupils!

The All Saints community were delighted to welcome pupils from several primary schools this week some of whom will be joining us in September. Pupils have sampled lessons including P.E. and food technology, enjoyed lunch in the canteen and visited the library. We hope they enjoyed this new experience and we look forward to seeing them all again soon!

Linguist of the Week

Courtney Nickerson 7H has shown a great ability to write accurate paragraphs in French from memory. I am so impressed by her use of connectives, intensifiers and opinions. What a fantastic way to finish year 7!

Year 10 Taster Day

On Friday some Y10 pupils had the chance to attend a Taster Day at two of our local sixth form providers. I was happy to accompany students from my form to Clarendon College in the centre of Ashton. It is a new building next to the train station with glass-sided classrooms and a huge atrium. We had nearly 60 students with us and they had the opportunity to participate in a variety of lessons from walking on imaginary glass feet in an English lesson, to getting fooled into spotting words that weren't there in a psychology

experiment. I was impressed by the quality of the facilities and the equipment in the rooms: the Media suite, for instance, had digital design and the use of sophisticated cameras and software. At lunchtime pupils had an ice-cream van and life-sized table top football. Our students behaved as I expected: polite, interested and engaged. I hope it helps them to make good choices for their future. Students with a strong vision of what they want to achieve in later life have a powerful motivation to work hard in Y11.

Mr Coogan

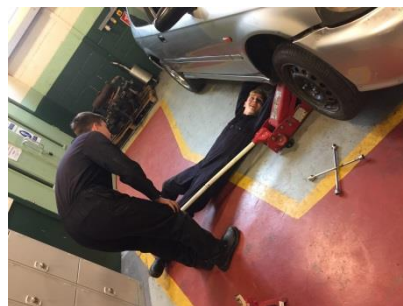

Year 10 pupils also enjoyed a taster day at Tameside College.

Everyone engaged really well, enjoying a range of activities including mechanics, sports, engineering, beauty, travel and tourism, computing and early years childcare.

Overall the day was a huge success, with our pupils getting a first-hand look at what possibilities lie ahead.

Ms Harrison

Well done year 10!

Family Fun Day

Thanks to everyone who supported and attended our first Summer Family Fun Day

on Saturday. The event was a huge success and enjoyed by all members of our school community and we could not have wished for better weather – uninterrupted sunshine all afternoon.

Thanks to all members of the Parents in Partnership team for organising such a wonderful, inclusive event. Total takings on the day exceeded £1,500 which will be used to benefit pupils in school.

Year 9s and 10s get a 'taste' of work

On Wednesday 28th June a group of year 9 and 10 students visited **Soreen** in Trafford Park, Manchester. Students spent the morning learning about careers within STEM (Science, Technology, Engineering and Mathematics) industries and were fortunate to meet with a number of key personnel from *Soreen* including the Managing Director. In the afternoon students visited the bakery,

created their own *Soreen* product with the product development team and learnt about health and safety in the workplace. All the students had a thoroughly enjoyable day.

Year 11 Prom

Staff and pupils celebrated the end of GCSEs and year 11's final year at All Saints with a fantastic prom night at Oaklands Hall in Godley last month. Pupils' behaviour was excellent and everyone looked stunning. Congratulations to Terri Jackson and Aidan Hallsworth who were crowned Prom Queen and King at the event!

Accelerated Reader of the Week

Connor Hallows has impressed Ms Gilligan, his English teacher by reading a hugely challenging book this week. Connor borrowed the award winning *Bunker Diary* by Kevin Brooks and completed it in a matter of days. He thoroughly deserves to be our latest Accelerated Reader of the Week.

Swimming Success for Year 8 Pupil

Following an exhausting few days at Biddulph Open Meet Swimming Gala this weekend, Conor Dunkerley is celebrating the following fantastic results: 6 Golds, 4 Silver and 2 Bronze medals from 14 events. Congratulations, Conor, on your amazing achievement!
