

THE PTA OF ST PETER'S SCHOOL NEEDS YOUR HELP..

The PTA of St Peters School is a Parent-Teacher group which are always keen to welcome new members.

In the last school year our main fundraising events included school discos, quiz night, clothes recycling and the Summer Fair, which made over £2500 –money which is spent to improve facilities for your children. This was achieved with only a small group of parent volunteers and some willing members of staff and students. We have recently contributed some £2900 towards the refurbishment of the School's playgrounds, and bought Ipad's for the pupils, with more iPads on order!

Currently we have around 5-8 regular members, which involves attendance at one or two short meetings each term, with possible additional meetings in the run-up to the large events. Meetings are held either at the School or at a local venue.

We would love your support to help making these events even better and easier for all involved. Whether you have a couple of hours available during the year, and could perhaps help out at a Fair, or if you have more time and would like to volunteer for one of the PTA posts, your support is welcomed. The priority at the moment would be to recruit additional class reps that can support at the events on our stalls.

With many long-serving members just leaving us and potentially more in the next year or two, we are really keen to encourage new members and new ideas. It is a great opportunity to meet other parents and staff and to feel a little more involved with the School community. We have done such great work over the course of many years, but without new members there is a real danger that there will be too few members to continue running as we do now. All of the money we raise goes straight back into school to improve the environment for our children and contribute towards enriching their education.

If you can help in anyway then please complete and return the form below, and hand to one of the PTA members (check out our notice board on the mobile in the playground) or into the School office –please note that completion of the form does not commit you to anything!

Thank you for taking the time to read.
