

A Message from the Chair of Governors, St Peter's Catholic Primary School
Stalybridge

Thank you for your interest in the post of Headteacher at our school.

St Peter's has been at the heart of its community for over 170 years and that rich heritage continues today. As most governors, teachers, children or families of any school would say, we are very proud of our school and feel we need a special person to be our new Headteacher.

We are looking for a aspirational to lead us into the future challenges with clarity and understanding and to nurture all members of the community along the way.

We are interested to know how you might enhance and build on the considerable successes achieved by our children and staff over the years and how you would continue the school's ever-forward journey, embracing the strengths of our community.

We are seeking a practising Catholic who is a spiritual leader, able to articulate their faith confidently to children and adults alike.

Whoever is appointed will be assured of the support and prayer of the Governors of St Peter's in meeting the renewed challenges that primary education inevitably faces.
