Dear Parents/ Carers,

Hope you are all keeping safe and making the best of this situation in your own homes. You may or may not be able to replicate the school day, but please encourage and support your child to try out some of these learning activities in the week. Give them the opportunity to explore their own interests as well. We will offer a variety of activities from the different curriculum areas each week. Keep an eye out on our class page on the school website for updates.

Thanks again you for your support. Take care, Mrs Sibson and Mrs Godsall

Religious Education

Lent is an important time in our school calendar. We have done very well so far with our Penny Wars in class. Continue to keep hold of loose change, which can be added when we return to school.

You could make your own Easter garden at home this week.

Practice them throughout the week and then test on Friday.

Times Tables Rockstars and Numbots

The school has now signed up to Numbots. Your child can use their Times Tables Rockstars login to play the games involving addition, subtraction and number facts. I will continue to add Battles on TTRockstars between the girls and boys and between other classes.

Great to see many of you logging on to TTRockstars!

Please continue daily reading with your child. Please write a list of books you have read at home during this time away from school. I will look forward to see what you have been reading.

Some authors are reading their own books online each day including Oliver Jeffers and David Walliams.
