

# Year 5 Home Learning- Week commencing 20<sup>th</sup> April

## Art and Design- Architecture

Our topic for this half term is architecture. The website features free resources on this topic with video tutorials and ideas. I would like you to draw a picture of a house from observation, looking closely at details such as roof tiles and bricks to interpret them accurately. It could be your own house or a neighbour's house.

<https://www.kapowprimary.com/subjects/art-design/upper-key-stage-2/year-5/formal-elements-architecture/lesson-1-house-drawing/>

## RE- Life in the Risen Lord

Questions to discuss with your child.

1. Why is the Resurrection important?
2. Is Jesus present with us today? Where? How?
3. How does prayer help?

## Geography

Our topic is Exploring Scandinavia- looking at the countries of Norway, Sweden and Denmark.

I would like you to create a country factfile for one of these Scandinavian countries. You can present the information how you like- as a poster, PowerPoint, or by using the writing template on our Year 5 page. Country factfiles can be found at <https://www.ducksters.com/geography/>

## Dear Parents/ Carers,

Hope you have all had a good Easter break. We are really missing you all. It is such a shame that we are not at Robinwood this week, but glad it has been booked in for September. What a start to Year 6!

Now we are in the Summer term- hopefully there are plenty of activities and learning opportunities here to get stuck into.

Have a good week,

Mrs Sibson and Mrs Godsall

---

If you are happy for photos to appear on the website please email them to [homelearning@st-peters.tameside.sch.uk](mailto:homelearning@st-peters.tameside.sch.uk) and our Twitter page @stpetersSB

## Science- Animals including humans

In this topic, children are asked to describe the changes as humans develop to old age.

Watch the short clip.

<https://www.bbc.co.uk/bitesize/clips/zh2jmp3>

Your child could compare a photograph of themselves as a baby and as they are now and write down what changes have happened already.

## Spelling

Here are this week's spellings.

**knew, wrestle, bomb, fasten, honest, island, plumber, honour, sincere, soldier.**

Practice them throughout the week and then test on Friday.

## Maths

We are looking to improve our understanding of multiplication this week.

I've included worksheets on the website. Some children will be confident multiplying by 2 digit numbers. Others can continue looking at multiplying by 1 digit numbers. Answers are provided on the worksheets.

Please continue to logon on to TTRockstars and Numbots. Year 4 beat Year 5 in our more recent battle. We can't let them beat us again! Well done Edward, Sam and Emma for being our Top 3. I'll set up a rematch to begin on Wed 22<sup>nd</sup> for three days.

Well done to Jack, Leila and Alex J for your high scores on Numbots.

## Writing

Continue to go to [www.pobble365.com](http://www.pobble365.com) for the daily writing challenge there. Encourage your child to write at least a paragraph a day to keep up their writing skills and handwriting.

## French

Keep up your French by exploring the BBC website.

<https://www.bbc.co.uk/bitesize/subjects/z39d7ty>

## Music

Tameside Music Service are streaming live music lessons every Friday on their Facebook page.

<https://www.facebook.com/Tamesidemusicservice/>
