# Facts about Norway!

- ▶ The capital city of Norway is Oslo. It is in the south of Norway.
- ▶ The population of Norway is 5.368 million people! Though it may seem a lot the population of Sweden is nearly twice the amount with 10.23 million people!
- ▶ The currency of Norway is called Norwegian Krone! The Swedish and Danish are called the same (Swedish Krone , Danish Krone).
- ▶ In Norway they speak two main languages. They speak Norwegian and Romani.
- ▶ Norway is surrounded by two different countries. Sweden and Denmark are the two countries.
- ▶ Norway is a very cold country and it is covered with snow.
- ▶ One of the most famous people from Norway is called Ole Gunnar Solskjaer. He is the current Manchester United F.C Manager! He has also managed Cardiff City F.C.
- ▶ There is a famous place in Norway called Pulpit Rock! As you could probably tell it is a big rock.

# Ole Gunnar Solskjaer!

Ole Gunnar Solskjaer is a Manchester United legend as a manager and player! He was asked to be the United manager after the reds sacked Jose Mourinho due to United's poor performances in games. When they signed Ole then there was a sudden difference in their game and were on a winning streak!

- ▶ <https://youtu.be/f8fyjm5yifM>
- ▶ This link is to the United song, 'Ole's at the Wheel'

# Vikings!

- ▶ The Vikings lived in Norway for many years. They arrived in Norway in 1066. It is unknown when they left but they stayed there for many years.
- ▶ The Vikings made houses out of wood, stone and blocks of turf!
- ▶ Though the Vikings were in the same country they still fought each other! Some people would call them savage!
