Welcome to St. Peter's Nursery

Continue the work you have started

CURRICULUM

We plan our daily and weekly activities from the 'Development Matters' learning intentions of the EYFS. The Early Years Curriculum has 7 areas of learning. 3 Prime areas and 4 Specific areas.

Т	he Prime ar	eas of lea	rning		
Communication and Language	Physical [Physical Development		Personal, Social and Emotional Development	
S	Specific are	as of lear	ning		
Literacy	Mathematics	Understanding the world		Expressive arts and design	

Continuous Provision Indoor and outdoor

A typical day

Each day, your child will enjoy:

Prayers and collective worship Whole class teaching in circle time

Daily maths teaching this would involves number or shape activities. A phonics session, this involves fun, musical games that help the children learn their early phonic sounds.

Snack time Healthy Schools Policy. In nursery, we work towards independent hand washing, finding their own name card, getting own snack and drink from the server and sitting together, tidying away after ourselves, placing items for washing or recycling.

Access to indoor and outdoor play and provision. The environment is set up to provide learning opportunities for the children. Such as den building or drain pipe water play, outdoor maths etc. Children learn to work together when taking part in these activities.

A shared story to finish the session with prayers.

Parent Partnership

Welcome volunteers

Invite you to special occasions such as Easter reflections, sports day, trips out and welly walks.

We are available to talk, but would appreciate it if you would come before school between 8.30-8.50 or at the end of the session at 12.00 so we can safely see the children in and out of school first.

Things your child will need

A pair of wellies to leave at nursery. A blue school book bag with a key ring on that they recognise. Their name in all their uniform (even shoes) A coat, everyday A sun hat

Practical tips to help with independent skills.

- To help your child become independent when using the toilets, please wear socks (no tights) and loose fitting trousers or dark joggers. This will help them to use the toilet facilities independently whilst transitioning from home to school.
- Thank you

Thank you

Mrs Walker
