

Year 5 Home Learning- Week commencing 6th July 2020

History

Our topic this half term is **Vikings**. This week I would like you to look at the slide show on Viking life and people. Answer the question:

How is Viking life similar and different to life in Britain today?

Then I would like you to look at the artefacts slide show. *How do artefacts help us to work out what life was like in the past? What types of evidence sources have been found?*

Use the artefacts detective worksheet to record your findings.

RE

I would like you to look at **Judaism** as part of our topic of **People of other Faiths**.

Work through the piece of home learning on Judaism. You can type on the pdf document for the different activities using the BBC learning page [What is Judaism?](#)

Art

This week I've set something a little bit different for art. I would like you draw a self portrait using the Rob Biddulph tutorial [Draw with Rob](#)

I would love you to send me a photograph or scan of your drawing so we can put a Year 5 'Class of 2020' onto our class page.

Mrs Godsall and I will also put our portraits on the class page too!

Hi everyone,

Hope you and your families are well. I can't believe we are now in July! I hope you enjoy this week's home learning.

If you have any questions about the home learning, you can email year5@st-peters.tameside.sch.uk

Take care,

Mrs Sibson and Mrs Godsall

Science

This week I would like you to do a recap on all the work you have done on life cycles using the BBC lesson [Life Cycles in Humans and Animals](#). There are several videos and activities for you to complete.

Complete the Life Cycle of an Amphibian worksheet. You may have to do some extra research to complete the explanation boxes.

Spelling

Here are this week's spellings from the Year 5 and 6 spelling list.

accommodate, accompany, according, achieve, aggressive, amateur, ancient, apparent, appreciate, attached

Learn them throughout the week and then test on Friday.

Reading- Silly Squad!

Look at the Summer Reading Challenge Tameside Libraries have launched online for this year and sign up for it. Read any six books and receive rewards along the way. Details can be found at [Tameside Summer Reading Challenge](#)

Maths

I would like you to look at percentages and their equivalent fractions this week. I have included Maths lessons designed for Home learning on the class page. All instructions and learning tips are on each day's document. I have also included the teaching powerpoints with audio to assist with the learning.

Monday and Tuesday – Introduction to percentages as amounts out of 100; $50\% = 1/2$, etc.

Wednesday – Exploring equivalence between percentages and fractions; $1/10 = 10\%$.

Thursday and Friday – Use equivalent fractions to find simple percentages of amounts.

Remember you can also go on TTRockstars and Numbots with the same login.

English- Comprehension

Read the fact file on the footballer Marcus Rashford who has spoken out about childhood poverty recently. Try the *** sheets for more challenging questions.

English- Writing

This week I would like you to work through the daily Pobble writing activities. Copies can be read from a screen and are saved in the English folder on our class page.
