

18th September 2020

25th Sunday of the Year: "Lord, you are always generous and kind. Fill us with the generosity of your love, and make us more understanding. Amen"

Dear Parents

Year 6 – transfer from Primary to Year 7 (High School) – September 2020 The online admission process is now open. Parents will need to log on to Tameside MBC school admissions and register to submit an application and access the 'Moving On' booklet www.tameside.gov.uk/admissions. The closing date is Saturday 31st October 2020. Admissions submitted after this date will be treated as late and if your application is not submitted on time you are less likely to receive the school of your choice.

Parents' Drop-in This will be held on Tuesday, 22nd September, 3.30-5.00pm. It is an opportunity for parents to discuss any particular issues about their child with the class teacher. It will be too early for class teachers to discuss progress, and children's books will not be on display. No appointments are needed, but if there is a parent in the classroom with the teacher when you attend, we ask that you take a seat outside the room to wait. We will arrange waiting chairs so that social distancing can be observed, and hand sanitiser will be available. Teachers and parents will sit 2 metres apart when meeting. It is not expected that the vast majority of parents will need to take this opportunity to speak with their child's teacher, but please do come in if it would benefit yourself or your child.

Nursery and Reception Phonics and Reading Workshops.

These will be held on the following dates:

Reception Wednesday 14th October 2020

Nursery Wednesday 21st October 2020

Shortly parents will receive a letter from Mrs Walker or Miss Cooper, inviting you to book a slot on the day or evening of these dates. We are able to carry out these workshops in groups of less than 6 people, in line with the new government guidance.

Hand Sanitiser This is readily available throughout school. We ask that children do not bring in their own sanitiser, as it is becoming a distraction from learning.

Reading Books We would like to make a plea for all reading books to be returned to school. Lots of books which were given to the children at the beginning of the lockdown period have not yet been returned. We would appreciate your support in seeking these out if they are at home, as they form a valuable part of our reading scheme resource. Unfortunately, if the books are not returned to school, we will need to ask families for a monetary contribution to replace them.

Nursery Snack Fund Fund amounts will vary due to the staggered intake. Snack fund is £2.50 per week. We also ask for £1.00 a week as a voluntary contribution for curriculum enhancement as explained in the Nursery Prospectus and is available to view on the website under the Admissions section. Please make cheques payable to: St. Peter's Catholic Primary School alternatively payments can be made via School Money Scheme, a text has now been sent out. Thank you to parents who have already sent in their snack fund.

Nursery Wraparound Provision – from 3rd September we are pleased to offer wraparound care in our nursery unit. The sessions are from 11:55 am until 15:15. The charge is £10.00 per each afternoon session.

School Meals - Please note there is a slight school meal increase to £2.32 per day from the 1st September

The amount due for KS2 (juniors) for the autumn term will be 37 days, totalling £85.84. Please ensure that money is placed in an envelope clearly marked with the pupil's name and class. Alternately monies can be paid online via the Tameside MBC website. www.tameside.gov.uk school & education > school meals.

If your circumstances change you may be eligible to apply for free school meals. More information is available on the school website under school meals where there is a link to a website www.cloudforedu.org.uk/ofsm/sims-tameside Here, you can complete an online application to see if you are eligible.

Nut allergies – please could I ask parents not to include nuts in their child's packed lunch as we have children with nut allergies in school. Thank you for your co-operation in this matter.

Nasal Flu Vaccination Year R to Year 6 The Department of Health have announced that all children in year R - 6 are going to be offered a flu immunisation every year. The immunisation will take place in school on Tuesday 20th October for those children who returned the signed parental consent. If you wish to withdrawal consent, a form is available from the school office or can be downloaded from the school website under Newsletter.

Year 6 Parent Information As we needed to cancel the meeting with parents, a letter will be sent out by Mrs Barber to all parents of Year 6 children.

Please find below some dates for your diary:

Parents' Evenings Tuesday, 17th November, 3.30-7.00 and Wednesday, 18th November, 3.30-5.00pm. Parents will book a slot to meet with their child's class teacher on one of these evenings.

Nursery, Reception, Y1 and Y2 Christmas Nativity Play: Thursday, 3rd December at 9.20am and 2.15pm.

Junior Christmas Production: Wednesday, 9th December at 2.00pm and 5.45pm

PLEASE NOTE THAT ALL THE ABOVE EVENTS ARE PROVISIONAL – WE MAY NEED TO CHANGE ARRANGEMENTS IN THE LIGHT OF THE EVER-CHANGING SITUATION REGARDING THE PANDEMIC

Entrance and exit arrangements for children Please could we ask all parents to observe the social distance markings on the pavements around the perimeter of school when waiting to drop off or collect your child. We politely ask that, once you have dropped your child with a member of school staff in the mornings, you make the separation from your child and return to your car, rather than watching through the fence until your child has entered the school building. This is simply to avoid distress for some of our younger children – if they can see you through the fence, but cannot get to you, it could make them feel upset or uncomfortable at the beginning of their school day. If you could say goodbye to your child before handing them over to school staff, it would be very much appreciated.

Risk Assessment – In line with the measures on our school risk assessment, we would like to say a sincere thank you to the many families whose lives have been disrupted recently because a person from their household has displayed symptoms of Coronavirus. The symptoms of the virus are:

- A high body temperature
- A new, continuous cough
- A loss of taste or smell

If a child presents with these symptoms in school, we ask for them to be collected and taken home. The whole household are then asked to self-isolate, and the person with symptoms must obtain a Coronavirus test. If the test is negative, children may return to school once their temperature is back to normal and they are well. If the person affected by symptoms is an adult, then children in the household must self-isolate at home until the adult receives a negative test. Children should not return to school if they are experiencing symptoms themselves.

Please note that Tameside residents are asked not to enter the private home or garden of other households in line with local restrictions.

Sweets As we are presently trying to limit the amount of items coming into school from different households, we ask that sweets are not brought into school for the class if it is your child's birthday. In place of sweets, you may wish to purchase a book from your child to the school library, which can then be quarantined for 72 hours in school. We will continue to wish your child a happy birthday and will still sing to them in class!

Home Learning At the present time, all class bubbles are open and children are learning well. If school was directed by the Public Health or the Health and Safety team to close a class bubble, then arrangements would be made for children to continue with home learning. Our school's contingency plan for such an event will be sent to you as soon as possible. At the moment, school will send maths and English home learning to your child electronically via e-mail **if your child has been absent for more than two days because of issues related to Covid-19.**

Community events Tameside Soccer Coaching Club Astley Sports College Dukinfield, from Monday 14th September for 14 weeks. Ages 4 – 13 years. For more information please see the school website under Newsletter.

Kind regards

Mrs K Ryan
Acting Headteacher
