

1st July 2021
14th Sunday in Ordinary Time

“Always be ready to care for others, and to be kind and gentle. Fill your heart with love, and whatever you do, do it for God.”
(Colossians 3)

Dear Parents

Thank you for your ongoing support this week, as we continue to learn at St. Peter’s during these unprecedented times.

Saint Peter and Saint Paul Day - children in school attended a recorded children’s mass for this feast day of our patron saint. They also enjoyed choc ices on the field or in the peace garden. Children who were isolating on this day need not worry, as they may enjoy their choc ices upon their return!

Home Learning - children who are isolating should log on to Tapestry each day and upload their home learning unless they are unwell. If you have technical difficulties, please contact school – we will do all we can to help. We ask that you please use your best endeavours to encourage your children to complete home learning, as we are mindful of the effect that the interruption to their face-to-face education may have.

Be Seen in Green or Blue Day - thank you to everyone who wore green or blue clothes yesterday. We will be in touch next week with the total amount of money raised for the Royal Manchester Children’s Hospital.

Archery - Year 6 have the opportunity to take part in an archery after school club. Please complete the tear-off slip from last week’s newsletter, or from the paper letter sent out by Mrs Barber.

Reports - the usual end of year reports will be sent out to parents on Monday, 12th July. There is a parent drop- in on Tuesday, 13th July for parents who may have particular questions following the reading of their child’s report. This drop-in will take place in the classrooms as usual, but please note that procedures will be in place to minimise the transmission of Covid.

Coronavirus - If you receive a positive test for your child in the evening, over a weekend or during a school holiday, please e-mail: covid@st-peters.tameside.sch.uk to let us know as soon as possible. This enables us to take any necessary action following a positive test as soon as possible (especially if this involves the closure of a bubble in school). If you or your child have symptoms, you MUST book a PCR test online, or by calling 111. The lateral flow tests, which can be collected from pharmacies/ testing sites and carried out at home, are NOT sufficient. A PCR test is necessary should you have a cough, temperature or loss of taste or smell. This applies even if you have carried out a lateral flow test, and it is negative
