School Shoes

School shoes should be plain black. The wearing of trainers is not permitted, even if they are black. There does appear to be an issue about the difference between black trainers and school shoes. We define a school shoe as having appropriate laces, buckle or velcro fastening, with a sturdy sole and a secure, well-fitting upper. Flashing lights, coloured stripes or logos are inappropriate for primary school use. Ballet pumps, heeled and/or 'strappy' girls' sandal' shoes are not permitted, slip on shoes very quickly stretch and slip off. In the interests of the children's own safety these types of shoes are inappropriate for our school due to the number of steps we have.

Hair styles

Please note that children should not have extreme or bizarre hairstyles for school. To try and clarify a potentially subjective judgement for parents the following would be deemed to be unacceptable: shaved sides, shaved all over, tramlines, hair art, hair extensions, hair pieces, dyed hair, and hair gel. This also includes incorporated shapes. In other words, hair should be an even length all over, avoiding extreme differences of length of hair. Should school deem any hair style unacceptable then staff will speak to parents of younger children and ask them to amend hair style if possible and avoid this in the future. Staff will talk to older children first and then inform parents. If parents are unwilling to adhere to school policy, then children will be taught in isolation until the issue is resolved.

Earrings/Nail varnish

From September 2014 the wearing of earrings will not be allowed under any circumstances. Nail varnish is **not** permitted.
