

Appeal for children's clothes.

Families and communities being supported by St Peters and St Raphael's Church are sending their thanks for the generous donations being provided, and are asking if anyone has any unwanted baby, children's and teenage clothes, can they please think about giving them to their children. Money saved by this donation will mean families can afford to pay school fees for the children's education.

Children in some of the clothes previously sent over.

Most clothes are sent via a container each month then transported to Chamen village or Farafenni town where it is given to needy families. Chamen Oakes Nursery School, are in need of educational toys like **Duplo** and **Mega Blocks**, **Large piece jigsaw's** **small toys** etc for children to use before and after school lessons. Any more information you need, contact Alan or Mary Pickles. 07790006345.
