

Life in Jesus

The Nursery and Reception children gathered together.

Our Friend Bea, from Holy Trinity Church, came to join us.

We celebrated being together, singing and praying to Jesus.

We sang 'This Little Light of Mine,' thinking about how we can shine our lights to help others.

Mrs Ryan read a Bible story, when Jesus told His disciple friends how they could help Him, just by helping other people. "When I was hungry ..."

We clapped and played some instruments as each of us placed a food item in the basket for Bea.

Bea will take the food to families who do not have enough to eat.
