| <p style="text-align: center;"><b>My Family</b></p>      | <p>The Bible presents the family as the place where children are brought up in the faith. This is evident from the description of the Passover celebration (cf. Ex 12:26-27; Deut 6:20-25)</p> <p><b>The Annunciation (Lk 1:26-38)</b></p> <p>The birth of <b>Jesus</b> and the <b>visit of the shepherds</b></p> <p>"Joseph set out from the town of Nazareth in Galilee and travelled up to Judea, to the town of David called Bethlehem, since he was of David's house and line, in order to be registered together with Mary, his betrothed, who was with child.</p> <p>While they were there the time came for Mary to have her child. She gave birth to a son, her first-born. She wrapped him in swaddling clothes, and laid him in a manger.</p> | Annunciation                                                                                                                                                                                | Family   |
