

Dear Parents/Carers,

On Thursday 23rd May 2024 Nursery and Reception will be going to Smithills farm in Bolton.

We will set off at 9.20am and return to school for 3.00pm.

During the farm trip, your child will take part in some super activities.

A donkey ride, pets' corner, a tractor ride, watch the cows being milked and of course get the chance to see all the farm animals. We also have our own Smithills guide to take us around the farm.

As we will be there all day, the children will need a dinner. The school will provide a dinner for Reception class only, and nursery will need to provide their own packed lunch.

A second letter updating you on what is needed will be sent out near the time.

Please complete the letter below and return to school as soon as possible. The cost of the trip is **£19.00 per child**.

Payment can be made online only at <https://eduspot.co.uk/> Please note that you will still need to send in the permission slip in to allow us to take your child.

Should you have any difficulties regarding payment for the trip, please call the school office as soon as possible.

I am sure the children will enjoy this opportunity, and it will enhance the learning of our topic New Life.

Thank you for all your support.
