- *To nurture a respect for all religions, races and cultures and appreciate their views, beliefs and moral values.*
- *To promote a high standard of behaviour throughout the school community, witnessed by a growing sense of responsibility, self respect and respect for others.*
- *To recognise children as individuals, giving them the confidence to reach their full potential in all aspects of life.*
- *To help children become independent learners, giving them the skills to meet the challenges of our ever-changing world.*
- *To maintain and strengthen a constructive partnership between home, school, parish and the wider community.*
- *Through high quality teaching, to ensure that all pupils benefit from a broad, balanced, differentiated curriculum matched to pupils’ ages, abilities, aptitudes and needs.*

The school exists to develop the spiritual, academic, social, moral and physical development of the children entrusted to our care.
