

AIMS OF OUR SCHOOL

- That all members of the school community strive for excellence in every area of school life – each and every day.
- To create an interesting, stimulating and friendly environment, reflecting the Catholic ethos of the school; and to foster a love of life and learning.

“I come that they may have life, and have it to the full” [John 10:10]

- To nurture a respect for all religions, races and cultures and appreciate their views, beliefs and moral values.
- To promote a high standard of behaviour throughout the school community, witnessed by a growing sense of responsibility, self respect and respect for others.
- To recognise children as individuals, giving them the confidence to reach their full potential in all aspects of life.
- To help children become independent learners, giving them the skills to meet the challenges of our ever-changing world.
- To maintain and strengthen a constructive partnership between home, school, parish and the wider community.
- Through high quality teaching, to ensure that all pupils benefit from a broad, balanced, differentiated curriculum matched to pupils' ages, abilities, aptitudes and needs.

Our school exists to develop the spiritual, academic, social, moral and physical development of the children entrusted to our care.

In the love of God and neighbour
