Attendance Matters!

Every school day at St. Peter's is an adventure filled with learning and new opportunities! When children come to school every day and arrive on time, they don't just learn reading, writing, and maths, they build friendships, develop confidence, too. Missing even a few days can mean missing out on exciting lessons, special activities and valuable learning experiences. By making attendance a priority, we can work together to help every child achieve their best and make the most of all the wonderful opportunities school has to offer. Let's aim for excellent attendance this year and make every day count! We have had a positive start to the year already. Please visit our school website for more information and to view our [Attendance Policy](#).
